Anti-Racism Council

Hello, my name is Hassan. I am part of the ARC. We want to stop racism. We want to hold a Diwali, Eid and a Christmas party. We are going to play games, enjoy different food and wear special clothes.

This is really important because we want people to understand different religions.

Yours sincerely

Hassan 5E

Hello, my name is Peter. I am part of the ARC. We are having a party for Years 1, 2 and Reception. Different religions are important. Children will experience different sweets and cakes. It will be educational and a blast of fun for the children.

Yours sincerely

Peter 5E

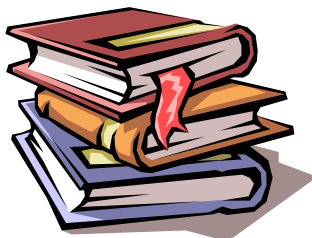

Hello, my name is Hannah and I am part of the ARC. We came up with an idea to have a festival party to celebrate different cultures around the world. It is important to celebrate because we don't want children to be racist to other people and make fun of their religion.

Yours sincerely

safer and stronger communities

Last week Year 5 and 6 went to a place called Stansfeld. We did rope climbing and stepping in muddy puddles. Personally my favourite was going to Oxford University. We saw the Oxford Library and the Museum. I enjoyed walking around Oxford and seeing beautiful things such as the real gold ceiling in Oxford University. I absolutely loved it, it was brilliant.

I had fun playing in the room which had all sorts of games in, it was called "The Wreck Room". I also enjoyed the food. It was really tasty. We went on different sorts of trips like the Botanical Gardens, The Natural History Museum and the Church. When we went to the University there was a huge library which had a book about Queen Elizabeth which cost 3.1 million pounds. It was amazing!
