

Blakesley set a firm foundation for my academic future. My favourite teacher was Miss Cooper (now Mrs Clutterbuck). I also liked Mr Humphreys and they both got me through some difficult times. I'm a very shy person and Mr Humphrey encouraged me to be a pixie in a play with a speaking part. My Mom couldn't believe I did it.

I am now an office administrator dealing with thousands of pounds of orders. I got married in Zante on 14th August 2013 to Pete Gordon.

Blakesley has very special memories for me.
