

Blakesley is still very much a part of my life today. I am still in touch with lots of friends who I have known for over 15 years now. I started in reception in Miss Dallimore's class. I loved the school so much that when I had to do a placement for a course I was doing at Secondary School I went back to do it at Blakesley. I'm married to Byron Motion now and we have 2 dogs called Dotty and Syron. I work as an assistant manager at a nursery and at present I have almost finished by B-ed honours degree at University. Blakesley will always be a part of my life.
