

I started at Blakesley in September 1992 and left in July 1998. I was fortunate to have my Mum (Mrs Redstone) and my Aunt (Mrs Johnson) working at the school. The teachers I remember are; Miss Dallmore, Miss Green, Mrs Houghton, Mrs Roberts, Mrs Clutterbuck (Miss Cooper), Mrs Gordon, Mrs Salt, Mr Benbow and Mr Greenwood. The Headteacher was Mrs Thompson. The things I remember about Blakesley are going to the field behind school for sports day, having disco's in the Junior Hall with Mr Benbow as the DJ, filling up the marble jar and getting to bring in a toy from home. I also remember going to Bockleton Study Centre for our week away and there were so many long walks! An embarrassing moment in Year 5 in Mrs Clutterbuck's class, I was leaning on the back legs of my chair and fell backwards. My days at Blakesley Hall were enjoyable and it gave me a great start in life.
