

# Spring 2

REC

## UOW\*

We will learn about the life cycles of plants, grow our own produce and learn to cook with it. We will also explore our Forest school. We will learn about seasonal changes in Spring and the celebration of Easter.

## PSED\*

We will learn how our emotions have an impact on others. We will also discuss and understand healthy choices.

\* cross curricular

## Our world

### Driving Question

*Why should we care for the environment?*

### Cultural Legacy Question

*How can I be more environmentally friendly?*

## English Text\*

The Little Gardener by Emily Hughes

## EAD\*

We will make Natural art based on the work of James Brunt. We will use different tools and materials to create art based on plants and the environment. We will also begin to independently use wood work tools.
