

Summer 1

y4

Geography*

-Geographic skills

We will use maps to explore the features of United Kingdom and the wider world. We will use fieldwork to observe, record and measure the human and physical features of the local environment.

* cross curricular

Exploring Geography Skills

Driving Question

How can we use maps to read the landscape?

Cultural Legacy Question

How does the study of maps help us learn about different countries and cultures?

English Text*

The Explorer by Katherine Rundell

Art*

-Paul Catherall

We will create our own prints, like Paul Catherall, a local artist, linked to our own culture.

PSHE

-Shared responsibility

We will recognise reasons for rules and laws and look at the court systems of England.

Science

-Power it Up

We will understand how to change a circuit by changing its components, leading in a final application of knowledge and skills when the children design and make an alarm.
