

Autumn 1

Y5

Art*

-Reflections of War

We will be creating a collage that reflects our thoughts and feelings about World War 2 and its impact.

PSHE

-Money

We will understand that people's spending decisions can affect others and the environment. We will also learn that if you spend too much money on things you don't need, you may not have enough money for essentials.

World War 2

Driving Question

What was it like for a child during World War 2?

Cultural Legacy Question

How do wars around the world affect children today?

English Text*

The Boy in the Striped Pyjamas

History*

-World War 2

We will be finding out about the key events of World War 2 and the effect they had, particularly on children.

Science

-Let's Get Moving

We will learn about forces and machines. We will start with the force of gravity then study friction forces, including air and water resistance, before investigating how simple machines work.

Holiday Challenge

Above you will find your child's topics for Autumn Term 1. We are challenging the children to begin to find something out about their new topics ready for September.

We would love to see any examples of research (or making of models) when we return to school. We will swap them for Class Dojo points!

Thank you, the Year 5 Team
