

Spring 1
Y5

Geography*

-England

We will be finding and naming the regions of England and studying their key physical and human features.

PSHE

-First aid

We will discuss the importance of taking medicines that are prescribed to you and only you. We will look at what the term 'first aid' means, when it may be required and how to deal with common injuries such as falls, grazes, head bumps.

* cross curricular link

England

Driving Question

What are the key physical and human features of England?

Cultural Legacy Question

How does our diversity change the human features of a place?

English Text*

The Boy on the Tower by Polly Ho-Yen

DT*

-Building bridges

We will study different bridge types and then use construction kits to create our own stable structures.

Science

-Material World

We will learn about materials and how they change. We will investigate how materials dissolve, what a solution is and evaporation. We will also compare reversible and irreversible changes.

DESIGN TECHNOLOGY HOMEWORK CHALLENGE

The Challenge: to make a 3D model of an English Landmark. You may want to choose the angle of the North, London eye or maybe even Stonehenge.

Remember: Don't forget it try to be original and make a landmark that nobody else would think of making!

When do I need to hand it in: by Friday 11th February (or sooner).

PRIZE: Design Challenge Certificate and Special prize for the best in your year group!

ALWAYS ASK AN ADULT TO HELP YOU CHOOSE YOUR MATERIALS AND WITH ANY CUTTING YOU NEED TO
